The Superintendent may request additional documentation, may use the assistance of the Braintree Police Department's Community Service Officer and/or may obtain the services of an investigative agency to conduct investigations into student residences. All reports will be provided to the Superintendent, who shall make the final determination of residency.

Upon initial determination by the Superintendent that a student is actually residing in a city or town other than Braintree, the student's enrollment in Braintree Public Schools shall be terminated immediately.

Penalty

Only students who qualify under this policy shall be eligible to attend the BPS. Any person who knowingly misrepresents facts concerning a student's actual place of residence or reasons for residing in Braintree, or any other material facts concerning a student's eligibility to attend the schools under this policy in order to enroll a student in the schools or to avoid paying tuition may be liable for the consequences.
