Braintree High School Athletic Department Announces Middle School Soccer Eligibility Requirements For Tryouts

All Fall Sport Candidates Must:

1. Online Registration will begin on July 10th. Complete Online Registration at: www.familyid.com/braintree-high-school.
2. Students must download and complete BPS Pre-Participation Head Injury/Concussion Reporting Form. Download Form at www.familyid.com/braintree-high-school.
3. Produce a current, up-to-date physical examination to the Athletic Director's office prior to participation in tryouts. Athletes must pass a sports physical examination prior to participation in High School Athletics. A physical exam covers the student for 12 months from the exam date. A student's eligibility will terminate once a physical has reached the annual limit, which is the last day of the month in which the previous physical exam was performed (e.g.- if the physical is dated December 3, 2016, the latest you can turn in a new physical is December 31, 2017, or the student-athlete is no longer allowed to participate – rendered ineligible).
 - Sports Physicals will be offered on Thursday, August 17th, at 10:00 am in the Nurse's Office located on the first floor of Braintree High School. The cost of a Sports Physical is \$ 10.00.
4. Participate in one of the free online concussion courses listed below and print a copy of the course completion certificate for both the parent and the student-athlete. Two Total.
