August 8, 2019

Greetings from BHS!

Back to school is about new beginnings: new teachers and new classes, but also new teams, new productions, and new challenges. This fall at BHS there will be plenty that is new – a whole new class of ninth graders, talented new faculty members, updated technology, new support programs, and multiple renovations to instructional spaces. The 2019-2020 school year at Braintree High promises to be great.

The year will start for students in all grades on **Wednesday, September 4th**. On that day all students will report directly to homerooms at 7:35 a.m., where they will receive new schedules and important information about the coming year. Over the course of the day, students will have an opportunity to meet with all of their classes as well as with school administrators.

A few points about the start of the year:

- **Emergency Card:** Enclosed with this letter is a card that we ask parents and guardians to complete and return to school. These cards are filed with the BHS nurse and only consulted in the event of an emergency.
- **Summer Reading:** BHS summer reading is designed to be both engaging and student-directed. Students who have not yet completed their summer reading can find assignments by following the Summer Assignments link under the Our Students tab of the BPS website.
- **Back to School Night:** Once again this year, we invite all BHS parents and guardians to attend our Back to School Night, to be held this year on **Thursday September 12th** from **6:00 to 8:00**. During this time, you will have an opportunity to hear from BHS administrators and meet your child's teachers. Parents and guardians report finding the evening very helpful, and we hope to see you there!

Enjoy the rest of the summer, good luck on the upcoming year, and please don't hesitate to contact the school if you have any questions.

Sincerely,

Dr. Christopher Scully
Headmaster
