

Penny Power

Students can bring in their loose change and we will weigh it.

Change collected during

May & June

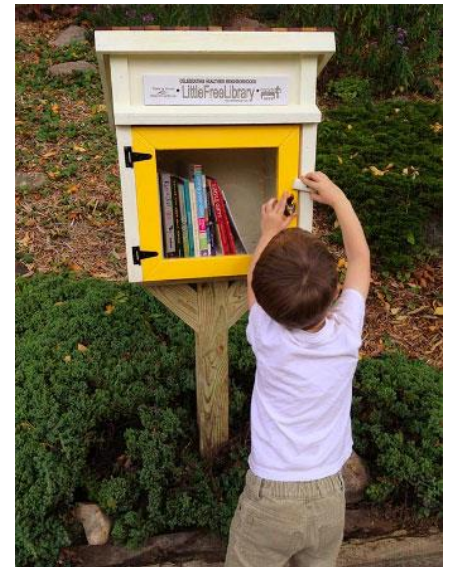

will be put towards our fund for
a Little Free Library
for our Highlands Neighborhood

Classrooms will also benefit.

For every 10 pounds collected,
the classroom will be awarded an extra recess.

Plus, the classroom that collects the most weight per month will
receive an extra recess and have the Highlands Eagle in their class and
their picture posted in the Highlander.

If you have any questions and/or ideas for a recipient of the funds
please contact Tracy Hulke at tracy.hulke@me.com

Thank you for your continued Support!
